## RESOLUTION 2023-30

**A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE HARVEST RIDGE COMMUNITY DEVELOPMENT DISTRICT EXPRESSING ITS INTENT TO UTILIZE THE UNIFORM METHOD OF COLLECTION FOR ANY NON-AD VALOREM SPECIAL ASSESSMENTS LEVIED NOW OR IN THE FUTURE BY THE DISTRICT; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.**

**WHEREAS**, the Harvest Ridge Community Development District (the “**District**”) is a local unit of special-purpose government that was established pursuant to the provisions of Chapter 190, Florida Statutes (the “**Act**”);

**WHEREAS**, the Act authorizes the Board of Supervisors of the District (the “**Board**”) to levy non-ad valorem special assessments for the purposes authorized by the Act and Chapter 170, Florida Statutes (“**Special Assessments**”) using the procedures provided in the Act, Chapter 170, and Chapter 197, Florida Statutes;

**WHEREAS**, the Board levied and/or may need to levy Special Assessments in the future to provide necessary funds: (1) for the administrative operations of the District, (2) to construct or acquire any facilities and projects of the District, (3) to maintain and preserve any facilities and projects of the District, and (4) to enable the District to provide any other services authorized by law;

**WHEREAS**, the Act authorizes the District, at its sole discretion, to collect and enforce its Special Assessments pursuant to the provisions of the Act, Sections 197.3631, 197.3632, and 197.3635, Chapter 170, or Chapter 173, Florida Statutes;

**WHEREAS**, Section 197.3632, Florida Statutes authorizes the District to use the uniform method of collection (the “**Uniform Method of Collection**”) to collect its Special Assessments if the District certifies its non-ad valorem assessment roll to the Tax Collector of Pasco County, which enables the Special Assessments, or the portion thereof that is certified, to be collected on the annual tax bill and enforced pursuant to Florida law;

**WHEREAS**, the Board finds that use of the Uniform Method of Collection can result in the more efficient and effective collection and enforcement of certain Special Assessments levied by the District which are certified for collection using the Uniform Method of Collection; and

**WHEREAS**, in accordance with the requirements of Section 197.3632, Florida Statutes, the Board caused notice of a public hearing on its intent to use the Uniform Method of Collection to be advertised weekly in a newspaper of general circulation within Pasco County for 4 consecutive weeks prior to such hearing and held the public hearing prior to the adoption of this Resolution.

### **NOW, THEREFORE, BE IT RESOLVED BY THE BOARD:**

1. The above recitals are true and correct and by this reference are incorporated as a material part of this Resolution.
2. The Board hereby expresses its intent to use the Uniform Method of Collection for any Special Assessments levied by the Board, now and in the future, on any properties within the boundaries of

the District pursuant to the legal description included in **Exhibit A**, attached hereto and incorporated herein.

3. The Special Assessments, which may be collected annually pursuant to the provisions of the Act, and the District's use of the Uniform Method of Collection may continue in any given year when the Board determines that use of the Uniform Method of Collection for that year is in the best interests of the District.
4. The District's Secretary is authorized to provide the Property Appraiser and Tax Collector of Pasco County and the Department of Revenue of the State of Florida with a copy of this Resolution and enter into any agreements with the Property Appraiser and/or Tax Collector necessary to carry out the provisions of this Resolution.
5. If any provision of this Resolution is held to be illegal or invalid, the other provisions shall remain in full force and effect.
6. This Resolution shall become effective upon its adoption and shall remain in effect unless rescinded or repealed.

The Board shall exercise the powers granted to the District.
  - (a) Board members shall hold office for the term specified by Section 190.006, Florida Statutes. If, during the term of office, any Board Member(s) vacates their office, the remaining member(s) of the Board shall fill the vacancies by appointment for the remainder of the term(s).

- (b) Three (3) members of the Board physically present at the meeting location shall constitute a quorum for the purposes of conducting business and exercising its powers and for all other purposes. A Board member shall be counted toward the quorum if physically present at the meeting, regardless of whether such Board member is prohibited or abstains from participating in discussion or voting on a particular item. A Board member participating in the Board meeting by teleconference or videoconference shall be entitled to vote and take all other action as though physically present, so long as a physical quorum is met. If three (3) or more vacancies occur at the same time, a quorum is not necessary to fill the vacancies. Action taken by the Board shall be upon a majority vote of the members present, unless otherwise provided in the Rules or required by law.
- (2) Officers. At the first Board meeting held after each election or appointment where the newly elected members take office, the Board shall select a Chair, Vice-Chair, Secretary, Assistant Secretary, and Treasurer.
- (a) The Chair must be a member of the Board. If the Chair resigns from that office or ceases to be a member of the Board, the Board shall select a Chair, after filling the vacancy. The Chair serves at the pleasure of the Board. The Chair or Vice-Chair shall be authorized to sign checks and warrants for the District, countersigned by the Treasurer. The Chair or Vice-Chair shall be authorized to execute agreements, resolutions, and other documents approved by the Board at a Board meeting. The Chair shall convene and conduct all meetings of the Board. In the event the Chair is unable to attend a meeting, the Vice-Chair shall convene and conduct the meeting.   - (b) The Vice-Chair shall be a member of the Board and shall have such duties and responsibilities as specifically designated by the Board from time to time. If the Vice-Chair resigns from office or ceases to be a member of the Board, the Board shall select a Vice-Chair, after filling the Board vacancy. The Vice-Chair serves at the pleasure of the Board.
  - (c) The Secretary of the Board serves at the pleasure of the Board and need not be a member of the Board. The Secretary shall be responsible for maintaining the minutes of Board meetings and may have other duties assigned by the Board from time to time. The District Manager may serve as Secretary.
  - (d) The Treasurer need not be a member of the Board but must be a resident of Florida. The Treasurer shall perform duties described in Section 190.007(2) and (3), Florida Statutes, as well as those assigned by the

Board from time to time. The Treasurer shall serve at the pleasure of the Board.

- (e) In the event that both the Chair and Vice-Chair are absent from a Board meeting and a quorum is present, the Board may designate one of its members or a member of District staff to convene and conduct the meeting. In such circumstances, any of the Board members present are authorized to execute agreements, resolutions, and other documents approved by the Board at such meeting. In the event that the Chair and Vice-Chair are both unavailable to execute a document previously approved by the Board, the Secretary or any Assistant Secretary may execute such document.
- (3) Committees. The Board may establish committees of the Board, either on a permanent or temporary basis, to perform specifically designated functions. All meetings of the Board and all committee meetings shall be open to the public in accordance with the provisions of Chapter 286, Florida Statutes.
- (6) Voting Conflict of Interest. The Board shall comply with Section 112.3143, Florida Statutes, so as to ensure the proper disclosure of conflicts of interest on matters coming before the Board for a vote. For the purposes of this section, “voting conflict of interest” shall be governed by the Florida Constitution and Chapters 112 and 190, Florida Statutes, as amended from time to time.
  - (a) When a Board member knows the member has a conflict of interest on a matter coming before the Board, the member should notify the Board’s Secretary prior to the Board’s discussion on the matter. The member shall publicly announce the conflict of interest at the meeting. This announcement shall appear in the minutes. The Board’s Secretary shall prepare a memorandum of voting conflict (Form 8B) which shall then be signed by the Board member, filed with the Board’s Secretary, and attached to the minutes of the meeting within fifteen (15) days of the meeting.

Except in cases of valid public emergencies as certified by the Board, the District shall announce each occasion when professional services are required for a project by publishing a notice providing a general description of the project and method for interested consultants to apply for consideration. The notice shall appear in at least one (1) newspaper of general circulation in the District and in such other places as the District deems appropriate. The District may maintain lists of persons interested in receiving such notices. These persons are encouraged to submit annually statements of qualifications and performance data. The District shall make reasonable efforts to provide copies of any notices to such persons who provide their name and address to the District Manager for inclusion on the list, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process. The Board has the right to reject any and all bids, and such reservation shall be included in the public announcement. Bidders not receiving a contract award shall not be entitled to recover any costs of bid preparation or submittal from the District.

- (3) Competitive Selection.

- (a) The Board shall review and evaluate the data submitted in response to the notice described above regarding qualifications and performance ability, as well as any statements of qualification on file. The Board shall conduct discussions with, and may require public presentation by firms regarding their qualifications, and/or public presentation, select and list the firms, in order of preference, deemed to be the most highly capable and qualified to perform the required professional services, after considering these and other appropriate criteria:
  - 1. The ability and adequacy of the professional personnel employed by each firm.
  - 2. Each firm's past performance for the District in other professional employment settings.
  - 3. The willingness of each firm to meet time and budget requirements.

4. The geographic location of each firm's headquarters or office in relation to the project.
5. The recent, current, and projected workloads of each firm.
6. The volume of work previously awarded to each firm.
7. Whether a firm is a certified minority business enterprise.

Nothing in these Rules shall prevent the District from evaluating and eventually selecting a firm if less than three (3) responses, including responses indicating a desire not to submit a formal bid on a given project, are received.

- (b) If the selection process is administered by a person other than the full Board, the selection made will be presented to the full Board with a recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.

(4) Competitive Negotiation.

- (a) After the Board has authorized the beginning of competitive negotiations, the District may begin such negotiations with the firm listed as the most qualified to perform the required professional services.
- (b) In negotiating a lump-sum or cost-plus-a-fixed-fee professional contract for more than the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY FOUR, the firm receiving the award shall be required to execute a truth-in-negotiation certificate stating that "wage rates and other factual unit costs supporting the compensation are accurate, complete, and current at the time of contracting." In addition, any professional service contract under which such a certificate is required, shall contain a provision that "the original contract price and any additions thereto, shall be adjusted to exclude any significant sums by which the Board determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs."
- (c) Should the District within twenty-one (21) days be unable to negotiate a satisfactory agreement with the firm determined to be the most qualified at a price deemed by the District to be fair, competitive, and reasonable then unless modified by the Board, negotiations with that firm shall be terminated and the District shall immediately begin negotiations with the second most qualified firm. If a satisfactory agreement with the second firm cannot be reached within twenty-one (21) days (unless modified by

the Board to the contrary) those negotiations shall be terminated and negotiations with the third most qualified firm shall be undertaken.

- (d) Should the District be unable to negotiate a satisfactory agreement with any of the selected firms within twenty-one (21) days (unless modified by the Board to the contrary) additional firms shall be selected by the District, in order of their competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.
  - (e) Once an agreement with a firm or individual is reached, notice of the award or intent to award, including the rejection of some or all bids, shall be provided in writing to all bidders by email or United States Mail, or by hand delivery, or by overnight delivery service, and by posting same in the District Office and on the website for seven (7) days.
- (5) Continuing Contract. Nothing in this Rule shall prohibit a continuing contract between a firm or an individual and the District.
- (6) Emergency Purchase. The District may make an emergency purchase without complying with these Rules. The fact that an emergency purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

## 6.0 Design-Build Contract Competitive Proposal Selection Process.

- (1) Scope. The District may utilize design-build contracts for any public construction project for which the Board determines that use of such contracts in the best interest of the District. When letting a design-build contract, the District shall use the following procedure:
  - (a) The District shall utilize a design criteria professional meeting the requirements of Section 287.055, Florida Statutes when developing a design criteria package, evaluating the responses or bids submitted by design-build firms, and determining compliance of the project construction with the design criteria package. The design criteria professional may be an employee of the District or may be retained using Section 4.6, Procedure Under Consultant's Competitive Negotiations Act.
  - (b) A design criteria package for the construction project shall be developed and sealed by the design criteria professional. The package shall include concise, performance-oriented drawings or specifications of the project, and shall include sufficient information to put interested firms on notice of substantially all of the requirements of the project. If the project utilizes existing plans, the design criteria professional shall create a design criteria package by supplementing the plans with project specific requirements, if any. All design criteria packages shall require firms to submit information regarding the qualifications, availability and past work of the firms, including the partners and members thereof.
  - (c) The Board, in consultation with the design criteria professional, shall establish the standards and procedures for the evaluation of design-build

proposals which may include, but not be limited to, based on price, technical, and design aspects of the project, weighted for the project.

- (d) After the design criteria package and the standards and procedures for evaluation of proposals have been developed, competitive proposals from qualified firms shall be solicited, pursuant to the design criteria by the following procedure:
1. A Request for Proposals shall be advertised at least once in a newspaper of general circulation in the county in which the District is located. The notice shall allow at least seven (7) days for submittal of proposals, unless the Board, for good cause, determines a shorter period of time is appropriate. For sealed proposals, the notice shall allow for at least twenty-one (21) days, unless the Board, for good cause, determines a shorter period of time is appropriate. Any design-build project projected to cost more than five hundred thousand dollars (\$500,000) must be noticed at least thirty (30) days prior to the date for submittal of proposals.
  2. The District may maintain qualifications information, including: capabilities, adequacy of personnel, past record, experience, whether the firm is a certified minority business enterprise as defined by the Florida Small Business and Minority Assistance Act of 1985, and other factors, on design-build firms. Such firms shall receive a copy of the request for proposals by mail.
  3. In order to be eligible to submit a proposal a firm must, at the time of receipt of the proposals:
    - (a) Hold the required applicable state professional license in good standing, as defined by Section 287.055(2)(h), Florida Statutes;
    - (b) Hold all required applicable federal licenses in good standing, if any;
    - (c) Hold a current and active Florida Corporate Charter or be authorized to do business in Florida in accordance with Chapter 607, Florida Statutes, if the bidder is a corporation;
    - (d) Meet any special prequalification requirements set forth in the design criteria package.

Evidence of compliance with these Rules may be submitted with the bid, if required by the District. Failure to submit evidence of

compliance when required may be grounds for rejection of the proposal.

- (e) The Board shall select no fewer than three (3) design-build firms as the most qualified, based on the information submitted in the response to the request for proposals, and in consultation with the design criteria professional, shall evaluate their proposals based on the evaluation standards and procedures established prior to the solicitation of requests for proposal. If less than three (3) proposals which meet the design criteria are received, the District may purchase design-build services or may reject the proposals for lack of competitiveness. If no proposals meeting the design criteria are received, the District may proceed with the procurement of design-build services in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the design-build services without further competitive selection processes.
  - (f) The Board shall negotiate a contract with the firm ranking the highest based on the evaluation standards, and shall establish a price which the Board determines to be fair, competitive, and reasonable. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the most qualified at a price considered by the Board to be fair, competitive and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the second most qualified firm, based on the ranking by the evaluation standards. Failing accord with the second most qualified firm, the Board must terminate negotiations. The Board shall then undertake negotiations with the third firm. Should the Board be unable to negotiate a satisfactory contract with any of the selected firms, the Board shall select additional firms in order of their rankings based on the evaluation standards and continue negotiations until an agreement is reached.
  - (g) After the Board contracts with a firm, the firm shall bring to the Board for approval, detailed working drawings of the project.
  - (h) The design criteria professional shall evaluate the compliance of the project construction with the design criteria package, and shall provide the Board with a report of the same.
- (2) Emergency Purchase. The Board may, in case of public emergency, declare an emergency and immediately proceed with negotiations with the best qualified design-build firm available at the time. The fact that an emergency purchase has occurred shall be noted in the minutes of the next Board meeting.
